Bonnie's Beacon Bullets

- Our state convention is only weeks away! I hope to see many of you in Bowling Green this March. The Omicron variant seems to be diminishing little by little and that is in our favor. You will meet Cynthia Moore from British Columbia, and Mayor Kathy O’Nan of Mayfield is our guest luncheon speaker. There will be a silent auction and we will continue the grab bags and 50/50 drawing. All the makings of an awesome state convention are in the making but it is your presence that will make it great, and I cannot wait to see you!
- The Area Coordinating Councils all met during the month of January. Thank you for participating. I learned a lot from each and every council and we will meet again in August.
- Registration is open for the International Conference in New Orleans (July 12-16). The non-dues revenue committee is working on a new T-shirt that can be delivered in Bowling Green and/or you can purchase it later to wear in New Orleans if you plan to attend. The design and order sheets should go out to chapters soon.
- And please see the text box below about what we are doing after those deadly tornadoes.

Yours in DKG, Bonnie

Remember those deadly tornadoes? Many of you have voiced your thoughts about educators helping other educators or doing something to help education during this tragic time. Some of you suggested that we collect backpacks and supplies BUT “stuff” is not warranted nor wanted. After some discussion at an SOS chat and learning more about the needs of the ravaged communities, we asked the community leaders if there were educators that needed help. Your executive board will make the final decisions, but we already know, for example, that we will give a monetary gift to a 2nd grade teacher who lost her home and car and is now renting an apartment. She does not have room for “stuff,” and she is slowly getting back on her feet. There may be several women educators that we can support and as the donations come in, we will better know how many we can help. Other states are sending donations, too. We received \$500 from Florida. Sisterhood is strong and our fellowship is genuine. We will grow and glow as we help light the way for those in need. You will hear more about this in next few weeks.

As we prepare for the state convention in March, we are reminding chapters to send in nominations for the Annie Award/Projects and Annie Award/Programs. Many chapters focus on those projects and programs that help others. While those are wonderful, don't forget to think about those projects/programs that we have to focus on personal growth. When reflecting on our DKG purposes, we are reminded that personal growth is a purpose that we often neglect. Many times, our programs are created to have "fun", but did you think about the fact that these activities are also expanding the knowledge base of our sisters?

Chapters throughout our state present programs on creating art either through things such as card making, jewelry making, or painting. These programs not only create a time for sisters to gather and enjoy themselves – but are included in the area of EEC and meet the purpose of expanding personal growth of members.

Have you had a "fun" program or project? Let the rest of us know what you did by nominating it for an Annie Award!! It may be one that another chapter can "borrow" to create an enjoyable gathering.

Don't forget – all of your nominations for Annie Awards and Educator/Administrator Excellence are due by February 15. We want to hear from you!

February 2022

As the 2022 in-person KSO Convention is fast approaching, I would like to remind chapters about Form 6. If your chapter has had a member death this past year (since the virtual 2021 KSO convention), you will need to fill this form out. These forms are what allows us to remember our sisters during the "Celebration of Life" during the State Convention. If you are not sure where to find Form 6, go to the DKG International website, sign in, click on "Forms." Once you are in the "Forms" section, click on "Membership" and Form 6 is the first membership form listed. When you have filled the form, send KSO Treasurer Shelia Wilkinson, DKG International, and myself a copy. In order to be remembered during the KSO 2022 Convention, I need any death notifications by February 15 that have not been sent to me previously. And as a reminder, if DKG International receives the notification within three

months of the member's death, they will send a close relative or close friend a sympathy card.

We will also be recognizing KSO members who are celebrating 40, 50, and/or 60 years membership during the State Convention. These will be sisters who were inducted in the years 1982, 1972, and 1962. I hope that I will be able to see many smiling faces and that there will be hugs given everywhere during our convention while we honor our longtime members and our former sisters!

What is State Convention? Our state convention's main purpose is to hold our annual business meeting. It is also a time for members to network, see old friends, make new friends, and learn more about our society. There is a marketplace at which chapters can rent a table and sell products to earn money for chapter projects/programs/scholarships for examples.

What is the Birthday Luncheon? Many chapters also have an annual birthday luncheon. This is a time we celebrate our Founders and honor the years we have been in existence. Kentucky's birthday into DKG was March 24, 1937. We were the 25th state to join DKG and the first two chapters were Alpha and Beta. Our first state president was Founder Dr. Ethel Parker (Beta). This year we are 85 years young!

What is the President's Banquet? This is a more formal dinner in the evening where wonderful memories can be made. Hall of Fame Inductees are announced at this banquet and on the odd years, we install the new state officers. Past State Presidents and Chapter Presidents march in at the beginning of the banquet and we usually ask that if a president cannot make the banquet, that someone attends in her place. We would like for all chapters to be represented in the march; however, with the pandemic still with us, we understand if some chapters may not be represented and that not all presidents may be able to attend. Most ladies love to dress up with some place to go and this is the place to dress up and go! *This dinner is not just for chapter presidents – it is for any member and/or guest who chooses to attend.*

What is the White Rose Ceremony? This ceremony is actually a memorial service at which any of our deceased members in the past year are honored and remembered. A white rose in her memory is placed among the red – signifying that her memory will live on within our hearts.

So, what happens on Friday? In years past, a variety of things have happened on Friday. We plan something for those who need to travel a distance and wish to arrive the evening before. We have had karaoke, craft fun, fun with word games, and more. The pandemic makes us change things up a bit to keep us all safe. This year we have a hospitality room. We will wear masks and *To Go Bags* with snacks will be available for attendees to take to their rooms.

What is the attire for convention – what do I wear? Friday night is come as you are and comfortable from travel. Saturday Business Meeting, Birthday Luncheon, and Sunday White Rose Ceremony are business casual. The President's Banquet is more formal, and some members wear long gowns while others wear short dressy dresses and some don nice pant outfits that are made for more formal occasions. Please do not feel that you must go out and purchase an outfit to attend. Simply dress up a bit more than usual as if you are going out to a special dinner.

Kathy Stewart O’Nan currently serves as the Mayor of the City of Mayfield, Kentucky—a city that suffered major devastation on December 10, 2021, following the worst tornado to occur in the history of the Commonwealth. Kathy grew up in Union County, KY and is a graduate of Lambuth University where she received her B.S. in Political Science and later earned her Master’s Degree in Education at Murray University. Kathy retired in May 2018 and like most teachers, she taught many things from serving as a substitute teacher, to part-time, to Gifted and Talented, but she primarily taught US History. It is no wonder that Kathy decided to run for Mayor after serving on Mayfield’s city council for sixteen years. She has been Mayor of Mayfield since 2019. Kathy is a loving mother of two adult daughters and a doting grandmother of two grandsons who live in Nashville, TN. She enjoys traveling, reading, and all types of music. Mayor O’Nan was delighted to receive an invitation to be our guest speaker and is looking forward to attending our state convention luncheon on Saturday, March 19, 2022, at noon, CST.

 Re: Amendment to the Kentucky State Organization Bylaws and Standing Rules
 Date: February 6, 2022

The Rules Committee proposes the following amendment to the *Kentucky State Organization Bylaws and Standing Rules* -- Combine the positions of Recording and Corresponding Secretaries into one position of Secretary. Rationale – electronic communication has altered the duties of the Corresponding Secretary in such a way that written communications are rarely received thus rendering that position a name only position. In addition, finding members to hold an office has become more difficult.

KEY Women of Vision

We are recognizing **KEY Women of Vision** again this year at the State Convention. The Women of Vision Award is given to members, living or deceased, who have encouraged other DKG members over the years. These members have not necessarily held an office or served in a leadership role; but have been instrumental in making other members' DKG experience a glorious one because of their encouragement. Women may be nominated by any member of the Society. Chapters are encouraged to nominate members for this recognition. There is no limit on the number of people that can be nominated by an individual or a chapter. This year, please consider anyone who has given outstanding compassion or aid to their community or members during this dreaded pandemic that we are still experiencing.

Introduction of International Guest- **Bonnie Cook Fouts** (Alpha), KSO 1st Vice President

Dr. Lace Marie Brogden (Regina), Saskatchewan, Canada, International 1st Vice-President. Dr. Brogden provided five fun facts about herself, before presenting "Society Update 2021" by Becky Sadowski, International President and The International Administrative Board, 2020-2022. She noted that the board chose their governing theme as, "The Will to Govern Well: Knowledge, Trust, and Nimbleness", based on a book authored by Glenn H. Tecker, and that their Strategic Plan was a roadmap, including SMART Goals, Knowledge, Nimbleness, Checkpoint, and Trust. She discussed DKGIEF (International Educators Foundation), which is now the ONE and only foundation within DKG; donations can be designated toward a specific area of need, but they are all under the DKGIEF umbrella. Dr. Brogden thanked the membership for all their great work and contributions, and invited members with a special presentation in mind, to join the International Speakers List, from which all conventions choose their speakers. President Beth commented that KSO had contributed to the "International Speakers Fund" in Lace's honor. A discussion followed about 2021's International Conferences and why costs were the same for virtual and in-person attendance? Lucy Riffle noted that Officer Training is in Atlanta versus one of the International Conferences. Past-president, Sue Story, sent virtual hugs to Lace, as they enjoyed a previous conference together.

Unfinished Business

Slate of Officers for 2021-2023

President Beth Pyle (Delta) requested nominations from the floor; no new nominations were made. Lynne Hewson (Alpha) made a motion to vote of the slate as a whole; Cheryl Slater (Nu) seconded the motion. Approval was unanimous and the motion carried.

Discussion that followed included the following:

* Shelia Wilkinson's reminder that dues deadline to her/KSO is July 1.

* Vicki Lete (Alpha Beta) asked about chapter's funding officer's attendance at Fall Workshop and State Convention. A robust discussion followed and chapters handle this in many different ways. Members provided Vicki with several

suggestion, in this regard. Dr. Brogden announced that there will be no charge for new officer training in Atlanta this summer.

New Business-there was no new business.
